

Portable Lumbo - Pelvic Drop

Ideal for pelvic, lumbar and thoracic adjusting, the Lumbo-Pelvic Drop has a crisp & quick straight drop with adjustable tension. It's great for adjusting extremities too!

The PVC Stabilization Base distributes the weight and adjusting forces over a broad area when used on a cushioned surface. Tapered toward the inferior end for patient comfort.

Cocking levers are on both sides, adjustable tension on one.
Drop height of 0.56" (14 mm). Weighs 9 lbs.

COLORS

Black, Navy, Burgundy and Espresso

The Carrying Bag is a convenient way to protect the Lumbo-Pelvic Drop during transport, with some additional room for those inevitable extras. Made of durable, weather-resistant Cordura nylon and equipped with an adjustable shoulder strap, carrying handle & zipper closure.
